RESPONSE TO JURY COMMUNICATION NO. 2

Ladies and Gentlemen of the jury:

You have sent me a communication that contains two distinct questions:

“Can the jury review transcripts of testimony from Agent Gates

In Count two does conspiracy to distribute (between the Fall of 2011 AND December, 2011) mean two separate incidents or a range representing to multiple events.”

Response:

1. Transcripts of the trial testimony are not available. You must rely on your collective memories of the testimony.
2. Count Two alleges that a conspiracy was in existence between the Fall of 2011 and December 2011. The Government alleges that acts in furtherance of that conspiracy occurred during that time period.

Dated this 8th day of March, 2013.
